D(base): 4.63" (11.75 cm)
Weight: 1.35 lbs (0.61 kg)

DESCRIPTION

The TCCKANDMKIT provides a very appealing dualface analog clock mounting bracket that will provide years of maintenance-free service. With its primarily aluminum construction, the TCCKANDMKIT has a light weight that makes for easy installation. The flexible design enables both wall (vertical surface) and ceiling (horizontal surface) mounting of the highly reliable TCCKAN12 12" analog clocks. The TCCKANDMKIT includes a pigtail connector with two

clock connectors that allows for a very quick installation. The modern design of the TCCKANDMKIT with the associated TCCKAN12 analog clocks (two required per TCCKANDMKIT) makes it an excellent choice in schools, hospitals and other applications that require a dual-face clock in a sleek, attractive housing.

ASSOCIATED EQUIPMENT

TCCKAN12 – 12 Inch Synchronized Analog Clock
(two required per TCCKANDMKIT)
